Wonderwall

Oasis

Today is gonna be the day
That they're gonna throw it back to you
By now you should've somehow
Realised what you gotta do

I don't believe that anybody feels the way I do about you now

Back beat, the word is on the street
That the fire in your heart is out
I'm sure you've heard it all before
But you never really had a doubt

I don't believe that anybody feels the way I do about you now

And all the roads we have to walk are winding,
And all the lights that lead us there are blinding,
There are many things that I would like to say to you
But I don't know how

*Because maybe,
You're gonna be the one that saves me,
And after all,
You're my wonderwall*

Today was gonna be the day
But they'll never throw it back to you
By now you should've somehow
Realised what you're not to do

I don't believe that anybody feels the way I do about you now

And all the roads that lead you there were winding
And all the lights that light the way are blinding
There are many things that I would like to say to you
But I don't know how

2 x I said maybe, you're gonna be the one that saves me...

I said maybe,
You're gonna be the one that saves me
You're gonna be the one that saves me

Hallelujah

Leonard Cohen

I heard there was a secret chord
That David played, and it pleased the Lord
But you don't really care for music, do you?
It goes like this, the fourth, the fifth
The minor fall and the major lift
The baffled king composing Hallelujah

*Hallelujah, Hallelujah
Hallelujah, Hallelujah*

Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew you
She tied you to a kitchen chair
She broke your throne, and she cut your hair
And from your lips she drew the Hallelujah

Hallelujah...

Baby I've been here before
I've seen this room and I've walked this floor
You know I used to live alone before I knew ya
And I've seen your flag on the marble arch
And love is not a victory march
It's a cold and it's a broken Hallelujah

Hallelujah...

Well, maybe there's a God above
But all I've ever learned from love
Was how to shoot somebody who outdrew you
But it's not a crime that you're here tonight
It's not somebody who's seen the Light
It's a cold and it's a very broken Hallelujah

Hallelujah...

Barndommens Gade

Anne Linnet

Jeg er din barndoms gade
Jeg er dit væsens rod
Jeg er den bankende rytme
I alt hvad du længes mod
Jeg er din mors grå hænder
Og din fars bekymrede sind
Jeg er de tidligste drømmes
Lette, tågede spind

Jeg gav dig min store alvor
En dag du var vildt forladt
Jeg dryssed' lidt vemod i sindet
En drivende regnvejrsnat
Jeg slog dig engang til jorden
For at gøre dit hjerte hårdt
Men jeg rejste dig varligt op igen
Og tørrede tårerne bort

Det er mig der har lært dig at hade
Jeg lærte dig hårdhed og spot
Jeg gav dig de stærkeste våben
Du skal vide at bruge dem godt
Jeg gav dig de vagtsomme øjne
På dem skal du kendes igen
Møder du en med det samme blik
Skal du vide han er din ven

*Jeg er din barndoms gade
Jeg er dit væsens rod
Jeg gav dig de vagtsomme øjne
På dem skal du kendes igen
Møder du en med det samme blik
Skal du vide han er din ven*

Og hører du renere toner
Stemt til en skønnere sang
Skal du længes efter min stemmes
Sprukne og kejtede klang
Fløj du så vidt over lande
Og voksede du fra din ven?
Jeg er din barndoms gade
Jeg kender dig altid igen

I realized quickly when I knew I should
That the world was made up of this
brotherhood of man
For whatever that means

And so I cry sometimes
when I'm lying in bed
Just to get it all out what's in my head
And I, I am feeling

And so I wake in the morning
and I step outside
And I take a deep breath
and I get real high
and I scream from the top of my lungs

At first I was afraid, I was petrified

But then I spent so many nights thinking how you did me wrong
And I grew strong, and I learned how to get along

And so you're back, from outer space
I just walked in to find you here with that sad look upon your face
I should have changed that stupid lock, I should have made you leave your key
If I had known for just one second you'd be back to bother me

Go on now go, walk out the door
Just turn around now, you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye?
Did you think I'd crumble? Did you think I'd lay down and die?

Oh no not I, I will survive
Oh as long as I know how to love, I know I'll be alive
I've got all my life to live, I've got all my love to give
And I'll survive, I will survive, hey, hey...

It took all the strength I had not to fall apart
Kept tryin' hard to mend the pieces of my broken heart
And I spent oh so many nights just feelin' sorry for myself
I used to cry, but now I hold my head up high

And you'll see me, somebody new
I'm not that chained-up little person still in love with you
And so you felt like dropping in and just expect me to be free
But now I'm saving all my lovin' for someone who's lovin' me

Go on now go, walk out the door
